

Create Your Own Donation Drive

Have fun and be creative as you explore ways you and your group can help the homeless.

Challenge your business or organization to see who can donate or create the most items.

Challenge offices and classes to compete against each other, with the losers throwing an ice cream party for the winners. Or offer a jean day at work in exchange for a \$ amount to be donated to HALO.

Below are some examples you can use, or come up with your own ideas.

Let us know what you come up with so we can share your idea with others!

You can HELP!
